Words: 1328 Chapters: 25 chapters Status: Complete Published: 2024-10-19

Just Chris/Zach with Incorrect Quotes, since there is an unfortunate lack of Incorrect Quotes in this fandom. I have no idea when I started shipping these two, but I love them together.

As of 14th of April, 2025, this is my 7th fanfic to reach 100 kudos! ☺

Chapter 1: Seduction

Zach, joking: Are you trying to seduce me, Wild Rat?

Chris, flirty: Why, are you seducible?

Zach, blushing: I, uh... what!?

Chapter 2: Partners

Zach: I love the term 'partners'. Are we dating? Are we robbing a bank? Are we the dedicated detectives who investigate vicious felonies and are members of an elite squad known as the special victims unit? Who knows!

Chris: ...

Chris: If you aren't ready to tell the others that we're dating yet, you could just say so.

Chapter 3: Serious

Zach: Look, I know you think my judgement's clouded because I like Chris a little bit–

Donita, holding Zach's notepad: Darling, you literally doodled your wedding invitation.

Zach: No, that's our joint company logo.

Donita: Oh my God, you actually *are* in love.

Chapter 4: Care

Chris: Are you drinking enough water?

Zach: Sometimes my tears get in my mouth.

Chris: Zach, that isn't funny.

Zach: ...and the Zachbots force me to drink three liters a day or they won't let me have coffee.

Chris: ...

Zach So, you know; yes.

Chapter 5: Zoo

Chris: I love you.

Zach, building something and not paying attention: Huh?

Chris: I said I'm leaving you in a zOo—

—alt—

Zach: I love you.

Chris, watching ducklings and not paying attention: Huh?

Zach: I said I'm selling your friends to a zOo—

Chapter 6: Affection

Zach: Whoever has my voodoo doll — please kiss its forehead, I need it.

Chris: ...Do you want a hug?

Zach, first thought: ew physical contact no gross

Zach, second thought: oh wait Green

Zach, out loud: Yes, please.

Chapter 7: Sapiophile

I have a headcanon that Chris is a natural engineering prodigy and just doesn't know it because he's never tried. It's one of my favorite headcanons. 😊

//Chris is trying out engineering.

Chris, nervously: So, uh, what do you think?

Zach, in awe: My expectations were admittedly very low but *holy fuck*.

Chris: Is that a good thing?

Zach: Give me a second, I'm calculating...

Zach: You just got 36% more attractive, so yes.

Chapter 8: Enemy

//About to reveal to the Crew that they're dating.

Zach: I can't do this, your friends are going to hate me!

Chris: No they won't, that's ridiculous.

Zach, nodding: You're right.

Zach: BECAUSE THEY ALREADY HATE ME I'M LITERALLY THEIR MORTAL EN-
EMY OH GOD–

Chris: Calm down! They'll love you, you just need to... be yourself. Say something nice.

Zach, confused: Which one, Green Guy? I can't do both.

Chapter 9: Insomnia

Zach, yawning: Legend says that when you can't sleep, it means you're awake in someone else's dreams.

Zach: When I find out who's doing this to me, I'm going to have a Zachbot punch them in the face.

Chris: [suddenly looks unreasonably guilty]

Chapter 10: Baby Steps

Chris: [kisses Zach]

Zach: ...what was that?

Chris: Uh, affection?

Zach: Disgusting.

Chris: ...

Zach: Do it again.

Chapter 11: I've Read Too Many Megamind/Roxanne Fics

//Chris has been captured and is waiting for the inevitable rescue.

Chris, trying to flirt: So, you come around here often?

Zach, confused: I mean, this is my jet, so yeah.

Chapter 12: IDK 😊

Zachbot buzzsaws count as ethical, right..?

Zach: How would you like your coffee?

Chris: As dark and bitter as my soul.

Zach, deadpan, to Zachbot: I need one peppermint-green tea blend with oatmilk and a bamboo straw.

Chris: Wait, is the–

Zach: Of course the bamboo's ethically harvested, do you take me for a rookie?

Chapter 13: Ingenuity

Chris: So when are we gonna tell them?

Zach: Just give them a minute, Green Guy; they'll get it!

Zachbot: [keeps pulling on a door that clearly says push]

Zach: ...eventually.

Zachbot: [blasts door with laser, making it explode]

Chris, shielding his face from debris: *Since when can they do that?!*

Zach, to Zachbot: Yes! Good boy! [pumps both fists in the air]

Zach, to Chris: In your face! HA!

Chapter 14: Chris Is A Good Bot Daddy

//The Zachbots try to save a kitten, despite it interrupting the plan.

Zach, yelling: Zachbots, no!

Zachbots: [pause hesitantly]

Chris, whispering: Zachbots, yes.

Zachbots: [resume saving the kitten]

Zach, dumbfounded: ...

Chris, chanting and stomping in a circle: I'm their favorite! I'm their favorite! I'm their favorite!

Chapter 15: Priorities

Zach: You are the love of my life and I would do anything within reason to make you happy.

Chris: I would be happy if you ate, stayed hydrated, and got a reasonable amount of sleep.

Zach: I said *within reason*, Greenie. How about I have the Zachbots attack that guy for you?

Chris: So assault is within reason but proper self care isn't?

Zach: Well, duh. What kind of question is that?

Chapter 16: Misunderstandings

Zach, googling: How do I make a date really romantic?

Google: Be mysterious.

Chris: So, where are we going?

Zach, nervously: N-none of your fucking business! Ask again and I'm having the Zachbots blindfold you until we're there.

Chris: ...It's bad that I find this endearing, isn't it?

Chapter 17

Zach: So, you like cats?

Chris: Yeah, of course.

Zach: [tries to impress him by slowly pushing a glass off the table]

Zachbots: [remove glass before it can fall]

Zach: Agh! No, you idiots, you're supposed to let it shatter!

Zachbots: [confused robot noises]

Chris: [confused Kratt noises]

Chapter 18: Something Old (Habits)

Chris: Okay, I'm going to get the wedding cake from Jimmy.

Zach: Perfect, while you do that I'll check on the ring bear.

Chris: ...

Chris: You mean ring bearer, right?

Zach: ...

Chris: Zach, look me in the eyes and tell me you are not going to bring a dangerous wild animal to our wedding.

Zach: ...You're bringing, like, a dozen!

Chris: Mine are tamed!

Zach: Well, mine is mind-controlled!

Chris: THAT'S WORSE!

Chapter 19: Touch Starvation

Zach: I don't need to go to bed. I have coffee, I'll be fine.

Chris: But, Zach, I'm lonely and cold and haven't been cuddled with in hours!

Zach: Are, are you using my issues against me?!

Chris, shrugging: Desperate times, desperate measures. Is it working?

Zach: ...

Zach, climbing into bed: You are an *ass*, Green Guy.

Chris, smirking in victory: Actually, I don't have a donkey Disc yet...

Chapter 20: Type

Chris: So, what's your type?

Zach: Brown eyes, goody-two-shoes, a bit oblivious, good sense of humor, turtle lover...

Chris: Hey, sounds kind of like me. Too bad we're just friends.

Zach: Did I mention oblivious?

Chris: Yeah, why?

Zach: Okay, just making sure.

—alt—

Zach: So, what's your type?

Chris: Green eyes, intelligent, a bit oblivious, snarky, organized, pigeon lover ...

Zach: Huh, sounds kind of like me. Too bad we're just friends.

Chris: Did I mention oblivious?

Zach: Yeah, why?

Chris: Okay, just making sure.

Chapter 21: (Not) Sorry

Chris: You have to apologize to them, Zach.

Zach: Fine! But I must warn you that this might make me a better, nicer person, and that is NOT the person you fell in love with!

Chapter 22: Tiny Bit Of Inappropriate Humor

Chris: Hey, what's up?

Zach: The sky.

Chris: No, I meant like, what are you doing?

Zach: Oh. You, then.

Chris, going beet red: YOU CAN'T JUST SAY THINGS LIKE THAT, ZACH!

Chapter 23: Surprise

Chris: I want to be with you for the rest of my life.

Zach: Careful, Greenie, that sounds like a marriage proposal.

Chris, getting down on one knee: That's 'cause it is.

Zach, blushing: O-oh...

Chapter 24: Kiss Kiss

Zach: And what do I get out of helping the rest of the Rats?

Chris: I will give you a kiss.

Zach: What do you think I am, Green Guy? Easy? I would never betray my villainous compatriots for a measly kiss!

Chris: How 'bout two kisses?

Zach: You've got yourself a deal.

Chapter 25: Roleswap

And that's the end for Part Two (of Six!)

Part Three should be up tomorrow. Hope you enjoyed :)

Chris: [spins around in chair ominously] I've been expecting y- [chair continues to spin] shit [tries to stop spinning] shit [tries to grab a table to stop spinning] sHIT [falls out of chair]

Zach, smirking: Told you it isn't as easy as it looks.

Chris: ...Shut up.
