Incorrect Quotes with both the Tortuga Crew and the Villainous Quad...

Whether working together, fighting each other, or just there for some reason.

Second to last installment of this series!

Update: as of August 7, 2026, this is my 17th fic to pass 100 kudos!! ☐

Chapter 1: Bright Side

Aviva: Zach? When did you become a hero?

Zach: I don't really know... the moment I saved you from getting killed, I guess?

Aviva: You're the last person on earth I wanted to rescue me.

Zach: Look on the bright side; it could've been worse.

Aviva: Really? How?

Zach: I could've been Gourmand.

Aviva: [eyes widen in horror]

Aviva, hugging Zach: Mi héroe!

Chapter 2: Happy Holidays :)

Aviva: Christmas lights?

Martin: Check.

Jimmy Z: Hot cocoa?

Martin: Check.

Koki: Santa hats?

Martin: Check.

Chris: Shovel?

Martin: Check.

Zach: Alibi and bail money?

Martin: Check– wait, *what?! What are you–*

Chris and Zach, in unison: Nothing~

Chapter 3: Nerd Bonding

Zach: Who are you?

Jimmy Z: Oh, hi, I'm Jimmy.

Zach: Right, I've heard about you from the other Wild Rats.

Zach: You're, uh, their pilot or something..?

Jimmy Z: Sorta.

Jimmy Z: I'm more their Neelix.

Zach: What?

Jimmy Z: You know, like from Voyager?

Jimmy Z: Chef, moral officer, odd-jobs-man...

Zach: ...

Zach: Huh, I think I might actually be able to tolerate you.

Jimmy Z: Thanks! :)

Chapter 4: I Want To See This Happen SO MUCH

Donita: I suppose you're right. We really would be better off working together.

Aviva: So, then... détente?

Donita: Agreed. Understanding?

Aviva: Possibly. Cooperation?

Donita: Maybe. Trust?

Aviva: Absolutely out of the question.

Donita, nodding: Fantastic. Let's get this shit started, then.

Zach: ...I've had nightmares that started like this.

Chapter 5: Aftermath Of Last Chapter

Donita, to Aviva: I'd make fun of your height, dear, but there simply isn't enough to make fun of.

Chapter 6: This One's Kinda Stupid, Sorry

My attempt to soften a quote that involved murdering puppies... Yeah, not my best work.

Martin: You're not gonna use the Pose Beam on me, are you, Donita!?

Donita: Yeah, and use you as a model. Why?

Chapter 7: Yeah, I've Read WAY Too Much Megamind

Jimmy Z: H-how do you ask someone out?

Zach: Well, first–

Chris: Don't ask him, he 'asked me out' by having the Zachbots kidnap me.

Jimmy Z: And you still said yes?!

Chris: Well, I mean, he did have them give me flowers...

Chapter 8: Ran Out Of Coffee/Too Much Coffee

Donita: Today, Zachary took my phone, and in five minutes, he sent high resolution close-up photos of Dabio 'flipping the bird' to the following people: Gourmand, my mother, the Wild Rats, five clients, the bank, my accountant, San Diego Blood Bank, and Shake Shack's text bot.

Gourmand: That still doesn't why he's late to the plot.

Donita, smirking evilly: Trust me, Darling, it does.

Chapter 9: Can't Decide Whether Or Not To Swap The Last Two

/when a child starts crying in public

Martin: [tries to make the child laugh]

Dabio: [tries to play a game with the child to make them calm down]

Aviva: [gives detailed instructions to the parents]

Jimmy Z: [cries with the child]

Gourmand: [ignores the child]

Zachbots: [are the reason why the child is crying]

Chapter 10: Enemy Mines Are Gun (Don't You Mean Fun?) No

Gourmand: My assistance will be an act of benevolence.

Martin: ...Don't you mean benevolence?

Gourmand: No. [cocks giant dart gun]

Chapter 11: My Headcanon That These Two Are Texting Buddies Lives On

(Aviva)

{Time freezes for everyone but you for one day, what do you do?}

(Zach)

{I'd mildly trouble everyone}

(Aviva)

{Examples?}

(Zach)

{I'd shave a one-inch thick line in every beard I saw}

{I'd twist all the lightbulbs just a little bit so no one would know when they aren't working}

{I'd make every wing on people's eyeliner just a little bit higher than the other one}

{I'd tie everyone's shoelaces together}

{And then, lastly, I'd snip a little hole in every tea bag.}

(Aviva)

{Remind me to never allow you to have that kind of power.}

(Zach)

{What makes you think I don't already?}

(Aviva):

{Wut}

(Zach)

{>:) (:< }

Chapter 12: As Does My Jimmy Is An Alien Headcanon!

Chris: Today at 7 am, Zach poured an energy drink into his coffee, said 'I'm going to explode', and drank the whole thing.

Aviva: I once watched Zach brew his coffee with energy drinks instead of water. Three cups in two hours. I think he ascended into the astral realm.

Jimmy Z: The survivability of the human race never fails to amaze me.

Chapter 13: X

Actually, It's a GPS Tracker...

Zach: So you and Blue Boy, huh?

Aviva: What? No! I'm just buying him an accessory since he has terrible fashion sense.

Zach: That's literally a wedding ring.

Chapter 14: I'm Too Obsessed With Zach, Aren't I?

Aviva, to Zach: Do you still know any Spanish?

Zach: Lo siento. Estoy embarazada.

Aviva: You just told me you're pregnant.

Jimmy Z: Congratulations, Zach; you're glowing!

Chapter 15: Violence Woke Up And Chose Gourmand

Would this have been funnier with a pan instead? □

Gourmand: My bad, It's a knee jerk response.

Chris, holding Martin's unconscious body: WHOSE KNEE JERK RESPONSE IS IT TO HIT SOMEONE WITH A ROLLING PIN???

Chapter 16: ♪Shippy Shippy Ship-Ship♪

Zach, pretending to joke: So, when are you going to go out with me?

Chris: I don't know. When are you going to ask me to?

Donita: And you just ran away?!

Zach: I didn't expect him to flirt back!

Chapter 17: Zach & Gourmand Is One Of My Favorite Dynamics

Zach, pointing to Chris and Martin: Distract them! I'll be right back! [leaves]

Gourmand: Got it.

//five minutes later//

Zach, returning with a platoon of Zachbots: [sees Chris and Martin unconscious on the ground] What did you do? I said distract them, not knock them out! *We need them awake for the plan!*

Gourmand: There's just no pleasing you sometimes.

Zach, nudging Chris with his toe: They, they are just unconscious, r-right..?

Gourmand: Yeah, yeah, whatever.

Chapter 18: Slightly Sexual Humor

Martin, pointing to Chris's Shirt: I like your top, Bro!

Zach: I have a name, you know.

Chris: [sighs] Why? Why are you like this?

Zach: ...It's funny?

Chapter 19: Getting Bored, Can't Name Things

Zach: Hey, Aviva! Do you wanna go celebrate with me?

Aviva: Zach, you know I can't be seen in public with you.

Zach: Okay, a simple 'no' would have been fine.

Chapter 20: Catching Up Via Text

(Zach)

{So what have you been up to recently?}

(Aviva)

{Leading an environmental revolution with the Kratts}

{You?}

(Zach)

{Good for you!}

{I've joined the mob}

{Well, sorta the mob. But with more cackling and less common sense}

(Aviva)

{Oh, how cool! That's awesome! Perfect for you}

(Zach)

{I know, right!? Anyway, have you heard from the others? Gamer Guy?}

(Aviva)

{Jimmy's happily living as a hermit in the woods}

{Gourmand?}

(Zach)

{Rightfully locked up in an asylum}

{Which reminds me, I need to break him out later}

{Orange Lady?}

(Aviva)

{Koki? Cult leader.}

(Zach)

{No kidding? So's Donita!}

(Aviva)

{Ha! Small world!}

Chapter 21: _(°:°)_/ IDK

Gourmand: Who would you swipe right for? Aviva or Dabio?

Zach: I would delete the app.

Chapter 22: Friend Of Yours?

Chris, talking about Gourmand: Is this a friend of yours, Zach?

Zach: Kind of? I mean, not really...

Gourmand: More like we're in each other's lives and there's nothing we can do about it.

Chapter 23: Butterfly Meme: Is This Bonding?

Gourmand: If I make you breakfast in bed, a simple 'merci' is all I need.

Gourmand: Not all this 'how did you get into my house' business.

Chris: ...

Chris: ZACH! COME DEAL WITH YOUR CRAZY FRIEND!

Chapter 24: I Have A Permit

The Bros: Let those animals go!

Donita: Don't worry, I have a permit. [snaps fingers]

Dabio: [hands over piece of paper]

Koki: ...This just says 'Fashion knows no limits'.

Chapter 25: We're Getting Farther And Farther Away From Believable, Aren't We?

Aviva: Wait. Where's Zach? He'd love Dungeons and Dragons.

Jimmy Z: I thought you invited him.

Aviva: Uh, I thought Chris invited him?

Chris: I thought Martin invited him.

Martin: I would never invite him.

Chapter 26: Telling Huge Secrets To Your Enemies (So You Can Practice Telling Your Friends)

Jimmy Z: You guys actually believe I'm an alien?

Donita: It's not the weirdest thing I've heard about you. Honestly, Darling, I'd believe cartoon birds braided your hair this morning.

Zach, Gourmand, & Dabio: [nod in agreement]

Chapter 27: Flat Earthers Around The World

That's it for this fic. Tomorrow is the very last of the series, so come back then! :)

Chris: Unfollow me if you think the Earth is flat.

Aviva: [seriously pretends to be a flat-earther to antagonize the anti-flat-earther]

Jimmy Z: [doesn't know what the Flat Earth Theory is, falls down rabbit hole when he tries to search it]

Zach: [doesn't care but makes polls to start fights for fun, "Is the Earth flat? Let's discuss!"]

Martin: [one of the ones fighting in polls' comment sections]

Koki: [not a flat-earther but makes "the Earth may be flat but this ass ain't" jokes for viral tweets]

Donita: [real view unknown, makes themed dresses for both sides on Earth Day]

Dabio: [actual flat-earther]
