Incorrect Quotes with the general Smurf village population!

AU notes: There are girl Smurfs but they're rarer than boys, Papa's name is Alchemist (Brainy and Smurfette still call him Papa because they're his kids), and Smurf Village is called Blossom. Enjoy :)

Chapter 1: Hottest Smurf

Vanity: I am, without a doubt, the hottest Smurf in Blossom.

Smurfette, smirking: You do realize I was literally created to be irresistible, right?

Vanity: Yes, well, you were made by Gargamel. And we all know how his spells usually turn out...

Smurfette: ...

Watching Smurfs: [stunned silence]

Smurfette: [slaps him]

Watching Smurfs: [gasp]

Vanity: [slaps her back]

Later...

Alchemist: One day. I was gone for ONE DAY.

Alchemist: How the smurf did you manage to destroy so much of the village?!

Chapter 29: I Keep Blanking Everytime I Try To Assign Smurfs To The Lines... In Other News, Mental Badly Wishes There Was Another Therapist In Town (WHAT IF SMURFETTE BECAME A THERAPIST???)

Idea vomit because I just thought of something: My idea for Smurfette is that she discovers a talent for emotional intelligence and gets renamed Empathy/Emi, but eventually that evolves into a talent for diplomacy so she becomes Ambassador/Amy and she becomes the next leader of Blossom... I just realized she could be Mental's apprentice in-between becoming Empathy and becoming Ambassador, helping take some of the workload off him and honing her emotional skills! Basically this chapter is not a real chapter at this point, sorry :/

A: Assert your dominance over your friends by kicking them in the face, and then giving them a little smooch on the forehead!

Philosopher: ...I like you.

Chapter 37: You Tell Him, Jokes!

Gargamel: Why won't you all just lie down and surrender with dignity?!

Jokey: We don't do anythin' wit' dignity!

Chapter 38: Wait... Do I Ship Them?!

Schemer: Thank smurf you were there, Security. I knew you wouldn't let your best friend die!

Security: I'm still going to arrest you, I just can't smurf that if you're dead.

Schemer: Whatever you gotta smurf yourself. Baby steps. It's hard smurfing out of your shell.

Security: ...I hate you.

Schemer: Love you too <3

Chapter 39: Handy And An Unnamed Smurfling Are Trapped In A Tower By Some Baddie Or Other

Unnamed Smurfling: If you're going to suggest I try smurfing twenty feet down a pitch dark tower in the hope of hitting a couple of greasy little steps which might not even still be there, you can forget it.

Unnamed Smurfling: Out with it, then.

Handy: You could smurf five hundred feet down a pitch black tower and hit stones which certainly *are* there.

Unnamed Smurfling: ...

Unnamed Smurfling, spotting a shredded tapestry and some sticks: ...Do you still smurf your tools?

Handy: Yeah, of course. Why?

Unnamed Smurfling: How much do you trust me?

Social: You didn't even raise your voice...

Chapter 42: I Feel The Need To Point Out That Boo ISN'T Currently Dead, He Was Brought Back To Life And Just Came Out A Little... Different

Brainy: Yeah, well I've never died so how do I know that God is real?

Boo: [cackles]

Chapter 43: Grouchy Is Rude™

Editor: Do you guys smurf the Blossom Times?

Grouchy: Only the funnies.

Vanity: What are you smurfing about? We always smurf Nosey's articles.

Grouchy: ...Isn't that what I smurfed?

Chapter 44: Wait, Nevermind, THESE Are My Favorite Smurfy OCs (as far as any Smurf is really an OC, I'm pretty sure other people have assigned these jobs to Smurfs before...)

Archeologist: I never would've gotten these artifacts sorted without you, Leo. I owe you one.

Paleontologist: That's ok, Archie; you can just date me and we'll call it even.

Chapter 48: Gargamel In A Nutshell

Gargamel: The universe has let me live another day, and I'm going to make it everyone else's problem.

Chapter 49: Wasn't There An Episode That Went Something Like This?

//In the background, Scaredy is wearing a jetpack and screaming in terror while trying to fight a giant robot

Handy: In my defense, I was left unsupervised.

Chapter 50: Odd Couple, Maybe Roommates 4

Persnickety, running into the room in a panic: WHY AREN'T THE PLATES IN ALPHABETICAL ORDER?!

Sweepy: What the smurf does that even *mean*?

Chapter 51: Omniglot (The Very Last Sentence Is Gibberish)

Everything else is easy to run through Google translate, but I figure you might have issues with Chatty's mixed language monologue. Here it is, more or less, translated:

Personally I think • it's a tad boring, • but whatever. • To each their own. • I'm glad you are well, • my friend Brainy, • though so very • sad for your loss. • Because, of course, • I win.

Nosey: What's going on?

Barista: Brainy and Chatty are facing off.

Chatterbox: Garble goosh na. Kalash-tay. [bows and walks off]

Chapter 52: The End :)

I have more Smurf Incorrect Quotes planned, but that's it for now, folks! Hope you enjoyed :)

Alchemist: Brainy, do you want to hear an alchemy joke?

Brainy: ...

Alchemist: Brainy?

Brainy: Oh, I'm sorry, Papa; were you hoping for a reaction?
