Edward and his adopted daughter live with Jonathan and Jervis.

When Twoface starts dating Edward, Harvey and Harv find themselves with quite the adjustment period.

Incorrect Quotes!

Chapter 1: So It Begins

Edward: Look at the buns on this guy!

Jervis: -lying on the floor, covered in burger buns-

Stephanie: This is the comedy police! The joke's too funny!

Edward: You'll never bring me back to jail!

Harvey, who spent the night: What..?

Jonathan, calmly reading a newspaper: You'll get used to it. -sips his second cup of coffee-

Chapter 2: France Is Romantic

Edward, trying to flirt and saying the first nonsense that comes to mind: They can't make me admit France exists, right? In your legal opinion.

Harvey, deeply confused: Umm... I guess they couldn't?

Edward, not entirely sure what he's saying at this point: I mean, if France was REAL I'd say I like it, since it's supposed to be romantic. But who's to say?

Harvey, realizing what's happening: -gay panic- I think France isn't real!

Harv, in their head: We've been to France, you idiot.

Harvey, in their head: Shut up, he's cute.

Chapter 3: Poor Spooky, Being Stalked (At Least It Isn't Bolton)

Store Worker, over the intercom: Would a 'Professor Crane' please come to the front desk?

Jonathan, arriving at the desk, wondering how his cover got blown and trying to act nonchalant: Hello, is there a problem?

Store Worker, pointing to Harley and Jervis: I believe these belong to you?

Jonathan, completely forgetting about his cover: What the Hell..?

Harley: We got lost.

Jonathan: I didn't even bring you guys here with me--!

Jervis: We got really lost?

Jonathan, under his breath, rubbing the bridge of his nose: Every fuckin' time...

Chapter 4: Stephanie Is A Troll (So Is Harv)

Harvey, trying to babysit: You either buckle down and do your homework, or you'll end up at Burger King.

Stephanie, playing dumb for her own amusement: We're going to Burger King if I don't do my homework?!

Harvey: What? No!

Stephanie: -throws her homework into the air, scattering it- Yippee!

Harvey, panicked: Harv, do something!

Harv: Don't worry, I got this.

Harv: Steph, we'll get ice cream too if you hide your Dad's blueprints in the freezer!

Stephanie, taking three seconds to decide whether she wants to go along with this: ...Alright. -runs to Edward's office-

Harvey: What? No, why?! How is that helping?!

Harv: Why in the world would I help stop this? Have you met me?

Chapter 5: The Meaning Of Love (42?) That's Life, Silly

Stephanie: What is love? Like, what is it, really?

Jervis, sighing ruefully over his copy of Alice: An emotional minefield.

Jonathan: A neurochemical reaction.

Mr Mscmystr: Baby don't hurt me...

Fries: The reason we all exist. The reason *everything* exists. Without love, there is no purpose or meaning to anything.

Joker: Batman!

Everyone: -stares at Joker-

Joker: -sips hot cocoa- Ya heard me.

Stephanie: ...I should just go ask Dad. He'll know about love.

Jonathan: -laughs his ass off-

Chapter 6: Musical Riddles

The return of my Imp version of Music Meister!

Mr Mscmystr: I know every song from every universe, past, present, and future.

Edward: Oh yeah? Then finish this:

Edward: I don't cook, I don't clean-

Mr Mscmystr: So let me tell you how I got this ring.

Edward: ...

Edward and Mr Mscmystr: -Keep loudly singing at each other-

Jervis, watching: Are they fighting or..?

Jonathan: They're givin' me a headache, is what they're doin'.

Chapter 7: The King Of Semi-Aquatic Water Fowl

More of me trying to make drunk jokes while avoiding having my characters drink alcohol. Yay!

Jonathan, recovering from accidentally ingesting a rotten experiment the night before: Please tell me I'm imagining that I claimed to be king of ducks.

Edward, reading a newspaper: I would, Your Majesty, but you know I don't like lying.

Jervis, laughing: Long live The King Of All Ducks!

Chapter 8: Loveboat (This Means War)

//Edward 'dies' in a game involving ships

Harvey: This ship is no longer a ship of love, it's a ship of vengeance. A gavel of justice against all that is wrong in the world, showing no mercy, as no mercy was shown to us.

Harvey: The spark of love will now fuel the fires of destructive glory as I wage my war across the world with righteous fury!

Harv: Legend has it that Ed still haunts this ship, stealing my fucking snacks.

Edward, winking: Of course I do. -eats potato chip while lounging in Twoface's lap-

Chapter 9: BE BI, DO CRIME

//Edward and Stephanie are heading to the park, only to find it closed with a locked gate

Stephanie: Aw :(

Edward, smirking: You know what they say...

Stephanie: Wait, please don't-

Edward: BE BI DO CRIME! -hops gate and picks the lock-

Stephanie, whispering frantically as she hurries through the now-open gate:
Can we please keep the crime to when you're in costume?!

Edward: -takes coat off to reveal green spandex, snaps on a pair of reflective sunglasses- Sweetie, I'm always in costume.

Chapter 10: Oh Mi Oh My Oh Mouse/Mickey's Come Calling

Stephanie: A mouse!

Selina, pulling out a knife: -casually- Go back to where you came from or I'll stab you.

Ivy, summoning her flytraps: It'll make a nice meal.

Harley, giving the mouse cheese: Ya deserve a treat, liddle guy.

Jervis, pointing at the mouse: -gasp- It's Ratatouille!

Harv: His name is Remi, dummy.

Jonathan: Why do you know that?

Harv: Harvey likes cartoons and the Coin only stops him so many times.

Kitrina: Can we keep it? I can train it to pick locks.

Stephanie: ...I was going to tell you to trap it and put it outside. What is *wrong* with you people?!

Chapter 11: Come Join Me (SFW, I Promise)

Edward: I'm going to go take a shower. I'll be done in, like, twenty minutes.

***Harv:** Why are you telling us? We don't care.

Edward, shrugging: Alright. -leaves to take shower-

Harvey, after thirty seconds: I miss him.

Harv: Wuss.

Harv: ...We could always go join him.

Harvey: We can't just-

Harv: -gets Coin out-

---two minutes later---

Edward: Um, what are you..?

Harvey, getting into the shower: Blame Lady Luck.

Edward: ...How am I not the weird one in this relationship?

Edward, after his brain finally catches up to the fact that Twoface is in the shower with him: Not that I'm complaining~

Chapter 12: You Chose This

Harvey: Last night, we found out that Edward is a sleep talker.

Jervis: Oh, really?

Harv: 'The mitochondria is the powerhouse of the cell'. Right in our ear. At three. In the FUCKING MORNING!

Jonathan: Oh, he wasn't asleep. He thought you were.

Harvey: What?

Jervis: The Dormouse likes to educate his loved ones as they sleep.

Harvey: *What?*

Jervis: Don't look at us like that, Tweedle. You chose him.

Jonathan: Yeah, he's your problem now.

Chapter 13: The Moment Jervis Is ALWAYS Waiting For

Harvey: How do you connect with a fictional character? They aren't real.

Edward: Why would you ask me?

Harley: How can ya not jus' know?

Jonathan: Get mercilessly teased and repeatedly called the name of the character until you decide to read the book and realize you like it and the character, so fuck the bullies.

Joker, not paying attention: Huh?

Clayface: Become an actor. You'll never have a sense of personal identity again.

Jervis, pulling out a 500 slide presentation and a copy of 'Alice In Wonderland':
I'm glad you asked...

Chapter 14: Purr

Kor is Riddler's cat (bet you can't figure out why that's her name)
Stupid, idiot, and dumb are all trauma-triggers for Eddie

Edward: I thought I was meowing back at Kor for the past half hour, but it turns out it was just Steph and I meowing at each other from different rooms in the house.

Selina, laughing: Dumbass.

Edward: -visibly gets upset-

Selina: Shit, wait, I meant that playfully! You're brilliant, not dumb at all.

Edward, tearing up: You mean that?

Selina: Yes, I promise.

Selina, in her head: Most brilliant dumbass I ever met.

Chapter 15: Jonathan Crane Is An Ass

Jervis: Can we go to a Haunted House tomorrow?

Jonathan: What's wrong with the one we live in?

Jervis: W-what?

Jonathan: Goodnight, Dear. -turns off light-

Chapter 16: The One Time Riddler Admits To Being A Dumbass

Harv can assume total control when Harvey's asleep, so long as he doesn't move too much. Harvey is only semi-aware of this.

Edward: According to the internet and romance novels, biting one's lip is sexy. So why doesn't Harvey think it's sexy when I do it?

Harv, while Harvey is asleep: What do you look like when you bite your lip?

Edward: -bites lip-

Harv: ...Have you considered biting your bottom lip instead, dumbass?

Edward: Hey, I'm not--! Wait... Okay, in this case I might actually be a dumbass.

Chapter 17: Edward Is Messed Up, But Not As Much As Jonathan Crane

Edward: How do you sleep at night knowing there's people who don't like you?

Jonathan: Actually, the knowledge that people curse my name and shudder in terror at the thought of me really helps push back my chronic insomnia and nightmares.

Edward: ...

Jonathan: -shrugs- Or, you know, a normal answer.

Chapter 18: Sometimes, Edward Takes Harv's Side

Edward: Hey lover~

Harv: Fuck off.

Edward: ...

Harvey: Oh my God, I'm sorry! He's had a really stressful day.

Edward: What happened?

Harvey: The Coin decided to go with my choice of outfit.

Edward: And..?

Harv: Look at our pants.

Edward: -looks down and sees black bellbottoms with brown sneakers- Oh my God! Harvey, how could you do such a horrible thing?!

Harv, to Harvey: See? It's not just me!

Why does this remind me of Bloom County?

Edward: Define 'dream'.

Jonathan: Dream -- the first thing people abandon when they learn how the world works.

Edward: ...

Edward: JERVIS! JONATHAN'S BEING DEPRESSED AGAIN!

Jervis: -runs in with hot cocoa and three emergency support crows- I got this!

Chapter 21: All The Rogues Are Uncles And Aunties Now

Stephanie: I wish I was a cat, but not in a furry kinda way, more like a 'I can sleep all day and hit people with no consequences' kinda way.

Edward: ...

Edward: You aren't allowed to hang out with your Aunt Selina without supervision anymore.

Chapter 22: Tell Me This Isn't True (I Dare You)

Edward: I love saying 'fuck me' because it could either be sexual or self-loathing, and those two things describe me perfectly.

Harvey, visibly concerned: *What?*

Chapter 23: Maybe I Should've Used Jon For This (But This Seemed Funnier)

Edward: Caffeine no longer keeps me awake while I work, so instead I have Jon periodically send me texts saying 'I'm short one subject for my Fear Toxin experiments'.

Edward: It gives me the right amount of adrenaline and utter terror I need to keep going.

Chapter 24: Holiday Cheer

Is it polyamory if two people are sharing a body and really don't have any choice but to share a boyfriend?

Jervis: What are you getting the Tweedles for the Holidays this year?

Edward: I don't know... It's hard buying gifts for your partners when they already got everything they could possibly want when they started dating you.

Jonathan, from the other room: I'm getting them a free appointment for couples counseling.

Chapter 25: Why Does This Sound Like My Sister And I..?

Edward: You know what I've realized?

Jonathan: Some thoughts are better left unsaid?

Edward: Nice try. Anyways...

Chapter 26: Why Are There No Madriddle Fanfics??

"Why is a Raven like a writing desk?" is a riddle from Wonderland, about a corvid. It needs to be the Dork Squad motto/mascot/whatever.

//Soon after they first became roommates

Edward: So, you two are dating now?

Jonathan & Jervis: Yes.

Edward: Why?

Jervis: Well, I happen to find the March Hare very appealing.

Edward: Yeah, I get *that*. I'm trying to figure out what's wrong with Jon...

Chapter 27: Freezing Cold

Kitrina is Selina Kyle's daughter. Possibly Oswald Cobblepot 's as well, I haven't decided yet.

Edward: What?

Kitrina: The bakery place was out of chocolate chip again.

Edward: ...

Edward, to Stephanie: You've been spending too much time with your Uncle Victor.

Edward: Yes, I'm adopting Stephanie and you monsters can't tell me no!

Jonathan & Jervis: ...

Jonathan: We only have three bedrooms.

Jervis: She can have mine, I'll sleep in yours.

Jonathan: Then which room will I sleep in?

Jervis, confused: Yours..?

Jonathan: -blushes- Oh... Yeah, I guess that works.

Edward: Wait, you guys aren't going to stop me?

Jonathan & Jervis: No.

Edward: Then I guess I'm going to be a father! -eyes go wide- I'm going to be a father...

Edward: -passes out-

Chapter 32: Harvey And Edward And Harv

Harvey: Hey, are you alright with swearing? Asking for a friend.

Edward: Yeah?

Harv: Bitch.

Chapter 33: Messing With Edward's Head Is Fun

Edward: I need something really tricky and nonsensical that's technically true to add to my new trap.

Edward: ...What.

Jervis: She's got a point, Dormouse.

Edward: N-no.... Wait... What??

Chapter 34: Nashton Nygma Brown Greene

Do you know how many meme wars I've gotten into with my mom? This is 100% a parent-child bonding method.

Jonathan: And here we see the Nygmans in their natural habitat; texting each other variations of the words 'garlic bread' for some incomprehensible reason.

Edward: Gaelic bread.

Stephanie: Grumbling bard.

Edward: Ha! Glamorous beans.

Chapter 35: So Crane's Possessed And Corvin Is His Cat-Sized Demon That Only He Can Understand

Corvin, his eyes enormous: You kick Corvin? You kick his body like the football? Oh! Oh! Punishment for riddle-maker! Punishment for riddle-maker for one thousand years!

Edward: Uh, why is he hissing at me like that?

Jonathan: He likes it when you pet him with your foot. That's a happy sound.

Corvin: Betrayer! Punishment for Corvin's Jonathan!

Jonathan: -laughs-

Corvin, running off: Corvin will eat his Jonathan's work notes!

Stephanie, poking his arm: Dad Dad. Dad. Dad.

Edward: *What?*

Stephanie: ...We're out of Capri Suns.

Chapter 37: To Be Clear, This Is One Of My Favorite Jokes

Jervis: Synonyms are weird because if you invite someone to your cottage in the forest, that just sounds cozy and nice. But if I invite you to my cabin in the woods, you're going to die.

Edward: My favorite is explaining the difference between a *butt dial* and a *booty call*. It took a while for Fries to get that one.

Harvey: It's called connotations.

Harv: Try this one on for size: "Forgive me father, for I have sinned"-

Jonathan: -glares-

Harv: -vs "Sorry, Daddy, I've been naughty."

Jonathan: -laughing fit-

Stephanie: Great news, everyone! Language is now banned!

The funniest bit about this is that Jon feels secure enough around Harley to tell her he never feels secure.

Jonathan, to Harley, about Edward and Jervis: They're trying to lure me into a false sense of security! Well, joke's on them; I've never felt secure in my life, I'm not about to start now.

Harley, more exasperated than worried at this point: Professah...

Jonathan: -gags on his coffee- No, no, no, no, no, no, no, no, no, no, no, no, no, no, no. Ed and I are not together. No. No.

Edward: Really? Sixteen 'nos'? Really?

Jervis: So, how long have you and the Knave been together, Dormouse?

Edward: -gags on his tea- No, no, no, no, no, no, no, no, no, no, no, no, no, no, no. Joker and I are not together. No. No.

Joker: Really? Sixteen 'nos'? Really?

Chapter 46: Superheroes Are Not Against Crime (They're Against Hurting Innocents)

Stephanie: ...

Stephanie: Okay, listen here you little-

Chapter 47: Pretty Much Canon

Edward, after finding out he has cancer: What am I supposed to do?

Doctor: If I were you? I'd try and make peace with whatever deity, pantheon, or Divine Other you believe in.

Edward, through clenched teeth: I'm an atheist.

Doctor: Then just get ready to die, I guess?

Edward: -tracks down Lazarus Pits, makes it past Ra's Al Ghûl's security, gets healed, develops amnesia, becomes a detective, gets his memory back, returns to Gotham, bursts in to Doctor's office-

Edward: How do you like them apples!?

Doctor: What the-?!

Edward: MY BRAIN IS BETTER THAN EVERYBODY'S!

Jonathan: What do you want, Nygma?

Edward: Jervis spent the night in your room last night.

Jonathan: We've been dating for a while, it's not that surprising.

Edward: ...

Jonathan, growling: What do you want, Edward?

Edward: ...Are you the big spoon or the little spoon?

Jonathan: Are you seriously asking me that?! I am the God Of Fear! The Master Of Terror! The King Of Screams! I am *The Scarecrow*! I-

Jervis, from across the room: The big spoon! It's adorable. I woke up with him completely wrapped around me, it took me fifteen minutes to convince him to let go.

Edward, clapping and jumping: I knew you were a cuddler!

Jonathan: I hate both of you.

Chapter 49: Why Edward Doesn't Stay Over At Twoface's Place Anymore

Catwoman: -climbs in through window-

Teenage Harv: When was the last time you cried?

Teenaged Harvey: Uh, fifteen minutes ago, I think.

Harv: Really? That recent?

Harvey: Yeah, why? -starts tearing up- Is there something wrong with that?

Harv: Shit, I didn't- ugh, who made you cry?

Jonathan: I am currently taking suggestions from everyone but you.

Edward, laughing: I have to go with Spaghetti.

Jonathan: I'm currently taking suggestions from everyone except you two.

Twoface: -flips Coin- Spaghetti.

Corvin: -chitters in amusement-

Jonathan: I'm no longer taking suggestions, and I'm going to go look for better friends. Fuck all of you. -starts to leave-

Jervis, Edward, Harvey, and Harley: We love you too!

Stephanie: Get milk while you're out!

Ivy, who had stayed the night: What..?

Harv: Eh, you'll get used to it.
