Bookworm, Firefly, and Roxy Rocket are roommates.

Chaos, incorrect quotes, arson, Bookworm's personal hell, and shenanigans.

I know NOTHING about Bookworm. Instead of searching it, I made my own headcanon version of him.

Xavier Book is a lower-level meta, capable of creating tiny spectral dragons who can't fight well but are good at sorting books. He doesn't like fighting, really likes books, and has more partial victories against Batman than even the A Listers.

Chapter 1: The Skit That Created A New Ship For Me Forever

Garfield Lynns = Firefly

Roxanne Sutton = Roxy Rocket

Now that I've had them interact, I don't understand why they aren't shipped more often.

Garfield: Do you want to help me commit arson?

Roxy, looking frantically around for an Arkham guard: Dude, what the hell?!

Garfield: Oh, my bad, sorry. -whispers- Do you want to help me commit arson?

Roxy, whispering back: Of course. What do you need?

Chapter 2: Wee-Woo Thingy

Garfield: Do you know how to shut off a wee-woo thingy?

Xavier: A what?

Garfield: You know, it makes a wee-woo noise when you start up a nice fire? The wee-woo thingy.

Xavier: ...*The fire alarm!?*

Garfield: Oh, is that what it's called?

Xavier: Yes, you ignor- wait, why do you want to know how to shut one off?

Roxy, coming in carrying a broken fire alarm, covered in soot: Don't worry, Garf! I figured it out!

Xavier, running to grab the fire extinguisher: The moment I steal enough money, I'm getting my own place!

Chapter 3: I Don't Have Pupils

Firefly, about to do something dumb: Could you at least try not to roll your eyes at me?

Bookwurm: My glasses hide my irises and pupils, you can't possibly see it if my eyes roll.

Roxy Rocket: You're still doing it, though.

Bookwurm: Hmm... Touché.

Chapter 4: Explosions Are Fun

Roxy: So, I can either do something dumb that could very well get me injured, or I can listen to Booky and not do the thing.

Garfield: Well, there's a clear right answer here.

Roxy: -proceeds to throw five packs of mentos into a barrel full of diet coke while Garfield cheers-

Chapter 5: Books And Fire Don't Mix

Roxy: I'm bored!

Garfield: Wanna set Arkham's library on fire?

Roxy: Sure!

Xavier, hearing them: No- Stop, don't do that! Put that lighter down! Guards!

Chapter 6: Barson

Roxy: Okay, what does A stand for?

Garfield: Arson.

Roxy: You're so good at this, Garf. Now B! What does B stand for?

Garfield: Uh... Bookworm yelling at me because I committed arson.

Xavier: -starts chuckling despite himself-

Roxy: What stands for C?

Garfield: That's easy! Commit arson.

Xavier: -full blown laughing fit-

Roxy: D!

Garfield: Don't come near me, I'm going to commit arson!

Xavier, through his laughter: What the hell has my life become?!

Chapter 7: Books Are Fun

//In the Arkham library

Garfield: -slams down a medium-sized book on pyrotechnics- I checked this out a couple weeks ago for a bit of intense studying.

Xavier, surrounded by five different 19-pound tomes: Wuss.

---alt---

//In their cell

Xavier, walking in with an armful of absolute doorstoppers of books: Hey, looks like the library got some new light reading materials!

Garfield: This is light?!

Xavier: -sadly- They only let me check out ten.

Chapter 8: But They're **My** Idiots

Xavier: I used to be a calm, laidback person.

Explosions, sirens, *an elephant trumpeting.*

Roxy and Garfield: -run into room, slam the door shut, lean their full body weights on it to hold it closed-

Xavier: Then I met these idiots.

Chapter 9: Cookies!!

Garfield: We can bake these cookies at 400 degrees for ten minutes, or 4,000 degrees for one minute.

Xavier: No, that's not how you make cookies-

Roxy: FLOOR IT!

Garfield: How about 4,000,000 degrees for one second?!?

Xavier: YOU'RE GOING TO BURN THE APARTMENT DOWN, WHY THE HELL DID I LET YOU NEAR A STOVE--

Garfield: I'M GONNA HARNESS THE POWER OF THE FUCKING SUN TO MAKE COOK-IES!

Roxy: DO IT!

Xavier: NO-

All: -scream-

Chapter 10: Roxy Is An Insane Bitch, But So Is Firefly

Roxy: Garfield is a perfect cinnamon scone who's never done anything wrong in his entire life!

Xavier: Never done anything wrong?! He set a city block on FIRE!

Roxy: Exactly!

Chapter 11: Money

Garfield: Can I borrow five dollars?

Xavier: If you're only borrowing it, does that mean you'll pay me back?

Garfield: Dude, of course!

Garfield: I mean, not directly, but with my affection and friendship.

Xavier: So that's a no.

Garfield: -looks sad-

Xavier: ...

Garfield: ...

Xavier, pulling out five dollars: Oh, fine.

Garfield: -cheers-

Chapter 12: Why Does No-One Ship Them?

Roxy: That's a crazy idea. Insane. It makes absolutely no sense whatsoever.

Garfield: You'll do it?

Roxy: Of course.

Chapter 13: Crispy

Garfield: If I make you breakfast in bed, a 'thank you' is all I need.

Garfield: Not all this 'you burnt down my house' business.

Chapter 14: Adorableness

//A heist hinges on Roxy doing a nearly-impossible stunt

Bookworm: You really believe in Roxy?

Firefly: I don't have to.

Roxy Rocket: -does stunt perfectly, thanks to her unflinching confidence-

Firefly: She believes in herself enough for the both of us! -grins proudly-

Chapter 15: Idiots

Garfield: Anyone down to take couples counseling and see at what point the therapist realizes we barely know each other?

Roxy, whispering: Idiots to lovers, 20k words, angst with a happy ending.

Xavier, not looking up from his book: Remove the last nine words of that sentence.

Chapter 16: Bookwyrn's A Nerd, He Knows *Every* Reference There Is

Garfield, to Roxy: If Booky doesn't say 'I'm king of the world' within five minutes of getting on that boat, I will give you my share of our next heist.

Xavier, within three minutes of getting on the boat: I'M KING OF THE WORLD!!!

Chapter 17: Date Night

Roxy: -heading out to see Garfield-

Xavier: Don't do anything I wouldn't do!

Roxy: I think I crossed that line when I got a date!

Chapter 18: Sleep

Xavier: Sleep is the body's best safety mechanism.

Roxy: How so?

Xavier: It keeps me from panicking over what the hell you've done now for five hours.

Garfield: Five?

Xavier: I tend to have around three hours of nightmares about what the hell you might be up to.
